# Message from Our President & CEO

## Greetings from the LA County Fair

I am pleased to welcome you as an exhibitor to one of the nation's largest and best county fairs. It is our mission to ensure that everyone involved in the Fair finds our event to be outstanding – from our guests to our valued partners to you, without whom we could not offer the exciting experience that is the one and only *LA County Fair*.

The 2024 Fair opens on Friday, May 3, and continues through Memorial Day (Monday, May 27), closing on Mondays, Tuesdays and Wednesdays in between. We will offer 16 days of thrills, adventure, shopping and fantastic food.

We are excited to present this year's theme: *Stars, Stripes and Fun*, celebrating the 102<sup>nd</sup> Anniversary of the LA County Fair. LA County is one of the most diverse counties in the nation, brimming with a mix of cultures and communities, and the LA County Fair celebrates them all.

The main component of the Fair is fun. California specialty crops are featured in The Farm at Fairplex. Enjoy the varieties of flowers and plants in the Flower & Garden Pavilion. The Big Red Barn, stocked with animals and agriculture programming from Cal Poly Pomona's Huntley College of Agriculture, is a Fair favorite. America's Great Outdoors celebrates our local county and national parks with the US Department of Agriculture, Bureau of Land Management and Los Angeles County Fair Forest Division. And NextFest LA, the largest indie music festival in the US, returns.

We are thrilled to welcome back livestock competitions to the Fair for the third year. Agriculture is the foundation on which we built the Fair and what better way to celebrate that than by having FFA, 4H and agriculture students from around the region show their animals.

I want to thank you for your participation in the LA County Fair. Our partnerships with organizations and individuals such as you allow us to consistently deliver high-quality family entertainment and education to more than one million fair guests.

Our Fairplex team is here to assist you and ensure that you have a fantastic Fair!

Sincerely,

Walter M. Marquez  
President & CEO

# General Livestock Rules

1. All 2023 State Rules for California Fairs set forth by the California Department of Food & Agriculture, Division of Fairs and Expositions apply. 2023 state rulebooks are available by clicking [HERE](#).
2. All livestock entries must be completed online at [www.LACountyFair.com/Competitions](http://www.LACountyFair.com/Competitions) by end of day of the deadline date stated for that competition on page 2 of this booklet. Preregistration is required for all entries; no late entries accepted. All fees must be paid online, no cash or checks accepted.
3. YOUTH: As of January 1, 2019, F&E requires all California Fairs (County, Citrus & District Agricultural Associations) junior livestock (large and small animal) exhibitors to annually participate in an F&E approved Quality Assurance and Ethics Awareness training. Currently, the Youth for the Quality Care of Animals (YQCA) online program has been approved by F&E to fulfill this requirement.
  - a. For more information on the YQCA online program, please visit <https://yqcaprogram.org/>. This link works best in Google Chrome.
  - b. The exhibitor's first and last name in YQCA must be EXACTLY the same as is entered into ShoWorks for their entries to be verified.
4. All entries must remain on display at the LA County Fair as mandated by the dates set forth in the livestock competition guide. Any entry removed prior to the release date and time, unless consent is granted by the LA County Fair Farm Competitions Coordinator due to extenuating circumstances, shall be disqualified from any and all competitions and premiums are therefore forfeited.
5. Youth exhibitors can enter only project units in which they are currently enrolled if they are to be affiliated with the youth organization.

  - a. All exhibits not properly maintained may be cause for dismissal from the fairgrounds and forfeit premiums.
  - b. All stalls must be cleaned upon departure.
11. Exhibitors are requested not to move animals unnecessarily, only to and from wash rack, tie rails and showing. Exhibitors must clean up after themselves and their animals. No animals are allowed to leave the designated livestock area without the permission of the Farm Competitions Coordinator. Any flagrant disregard of this rule could result in being barred from showing and/or forfeiture of premiums.
12. Adults (non-exhibitors/leader/advisor/teacher/parents) are NOT allowed to assist in the fitting of animals LA County Fair Youth Shows. (Fitting livestock is defined as preparing animals for the show including, but not limited to, washing, blow drying, clipping, brushing, or trimming.) Livestock leaders and advisors may assist with the feeding and watering of animals. For the safety of all exhibitors and the public, adults may assist exhibitors and their animals to the scale, wash racks and show ring.
13. After the close of entries, Fair Management reserves the right to combine classes and/or divisions if sufficient entries are not received. This combination will be made after papers are checked, in order to have an accurate number of entries. Fair Management reserves the right to cancel any classes or divisions due to lack of entries.
14. The Livestock Department reserves the right to limit entries to facilities available, when necessary.
15. The LA County Fair Livestock Department will have exclusive jurisdiction as to how many animals to a pen and assignment of pens.

The LA County Fair & Fairplex will not be responsible for any loss or damage caused by or arising out of strikes, riots, lockouts, or natural disasters.
18. All livestock entries are made with the distinct understanding that in no event will the LA County Fair or Fairplex become responsible for any loss or damage that may occur to any livestock animal. Presentation of the entry shall be deemed acceptance of this rule.

3. It is the responsibility of the exhibitor to feed, water and care for any animal they have entered in the Fair for the entire show through departure.
4. All large livestock exhibitors must supply their own feed and water receptacles. No pressurized water systems in any pens/cages are allowed.
5. No filling or feeding of animals by artificial means will be allowed including the use of tubes or drench guns.
6. Unruly animals will be removed at the discretion of the Farm Competitions Coordinator.

8. Health certificates, where required, must be presented upon arrival at the LA County Fair. Please refer to the Animal Health Rules and State Rules.

## **Youth Guidelines & Uniform Standards**

The Youth Department is for qualifying individuals who want to enter the LA County Fair. The LA County Fair has established divisions and classes for groups such as FFA, 4-H clubs and the like to provide opportunities for young people to exhibit who are not members of an organization in several ways, such as allowing them to compete in the appropriate class in direct competition with an organization member if there are very few “independent youth”.

***In a livestock class, the Independent must meet the same age requirements as the direct competition members of an organization.***

**FFA MEMBERS** may participate in classes if they are enrolled in high school agriculture classes and are active, dues paying members of their FFA chapter. Active FFA members may exhibit projects until the end of the next calendar year following graduation.

**4-H /GRANGE MEMBERSHIP** enrollment is open to all youth from kindergarten through grade 12 through December 31 of the year in which they turn 19 years of age.

**4-H PRIMARY** members must be 5 years old or in kindergarten by January 1 of the program year. Primary members cannot enroll in large animal projects. Approved animal projects are dogs, rabbits, rats, cats, poultry, cavies, mice, embryology, entomology, marine science, pygmy goats, and therapeutic animal projects. (Youth enrolling or turning 9 after January 1 must participate as a Primary Member until the end of the program year.)

**INDEPENDENT & OTHER YOUTH EXHIBITORS** not affiliated with any organization may enter appropriate FFA and 4-H classes if they meet the required age or grade level. Fair management may establish separate classes if there are sufficient entries. Independent youth exhibitors must not have been enrolled in a junior organization within 60 days to be eligible to participate. Exhibitors are eligible to compete/exhibit through December 31st of the year in which they turn 19 years of age. Each entry in these divisions must have been made or produced by the exhibitor. Entries shall be made on Youth Department entry forms provided by the Fair. The signature of the parent or guardian is required. Exhibitors who are enrolled in any junior organization for which classes are offered elsewhere are not eligible to enter these divisions.

**UNIFORM:** All National FFA Organization and 4-H Club and Grange exhibitors must wear the official uniform of their organization while showing. FFA uniforms are to be worn by all FFA exhibitors and by helpers in individual and chapter groups while showing at the LA County Fair Livestock Department shows. The official uniforms are as follows:

- **FFA Uniform:** Dark blue, black, or white pants, white shirt, FFA tie and official FFA jacket (zipped to the top) or FFA patch attached to the white shirt.

- **4-H Uniform:** Dark blue, black, or white pants, white collared shirt (any sleeve length), and 4-H Club cap (4-H tie or scarf is optional).
- **Grange Uniform:** White collared button-down shirt, dark blue jeans, and red vest with Grange emblem on the back.
- **Independent Uniform:** Dark blue, black, or white pants and white collared shirt.
- **Open Exhibitor Uniform:** Clean white top, show whites or team uniform.

NO attendant or other person will be allowed in the show ring unless neatly dressed in proper uniform.

## **INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS** **CODE OF SHOW RING ETHICS**

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the

condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
  
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expos* and any special notices to members.
  
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

# **Rabbits & Cavy**

1. Rules, definitions, and judging procedures as prescribed in the current Guidebook and Standard of the ARBA, Inc., shall apply to all district and county fair rabbit shows, provided they do not conflict with any of the rules and regulations prescribed by the Dept. of Food and Agriculture.
2. Only animals entered in the show are allowed on the LA County Fairgrounds.
3. All animals must be identifiable by a legible, permanent ear marking in the left ear conforming to the entry form upon arrival at the show. Any duplication of ear markings by one exhibitor in the same division must be eliminated and changes must be recorded on the judging sheet before judging.
4. Entries will be separated into divisions and classes based on breed and classes entered once entries close. Animals will be shown and judged in the proper division and class for breed, variety, age and sex only. If no division is offered, no awards may be made.
