

**Q: How do I apply to become a commercial vendor?**

A: Applications are available at <http://www.lacountyfair.com/partners/commercial-sales/>; click on the 'Become A Vendor' tab and it will direct you to the online application portal.

**Q: If I am a returning vendor, do I need to submit an application? If I have multiple locations, do I need to complete a separate application for each space?**

A: Yes. Every vendor must reapply each year. If you have more than one location, please select 'additional location' on the online application. For more than two commercial spaces, please contact the Commercial Sales office at (909) 865-4500 or email [commsales@fairplex.com](mailto:commsales@fairplex.com).

**Q: What are the steps in the application process?**

A: Once the application is received it is dated and time stamped in the order in which they are received. The application is entered into our system and the \$50 non-refundable application fee is processed. The application is then reviewed based upon the product/service, space size, and location. NOTE: please complete the application as thoroughly as possible so it does not hold up the booking process. You will be notified between 2 – 3 weeks from the date the application is received via a phone call and/or email for the following reasons: 1) your application is missing information 2) you have been placed on a waiting list due to excess product/service type, 3) the product/service type has been declined and why or 4) you have been approved as a vendor and are receiving your agreement (contract) for the event.

**Q: If I submit my application early, will I have a better chance of being accepted as a vendor?**

No. All applications are dated and time stamped and then reviewed based upon the Commercial Sales booking criteria: product/service, space size and location requested.

**Q: How will I know if I have been accepted to be a vendor for Fair?**

A: A space agreement (contract) will be sent to you via email; payment amount and due dates will be clearly listed on the first page of the agreement. The products/services you have been approved to sell will be listed under 'Approved Products'. If a product and/or service are NOT listed in this section, you have not been approved to sell that item.

**Q: As a vendor do I have to commit to all 17 days of Fair?**

A: Yes. If you have been approved as a vendor, you are required to be at fair all 17 days and be open the same hours as Fair.

**Q: What are the forms of payment accepted for the application fee, deposit and/or space payments?**

A: Cash, credit card, debit card, cashier's check, money order, and company check only.

**Q: What's included in the price of the space fee?**

A: The booth space includes pipe & drape for side and back walls for indoor space (back and side walls are 8 ft. high). Canopy/Tent are included for outdoor spaces, standard electrical (110V, 20 amps), and admission/parking for staff.
