JUDGING

The Danish System of Judging is used in Home Arts unless otherwise stated. The judging process is based upon established standards of quality for each type of product. In this system, each exhibit is judged according to how well it meets those standards rather than how it compares with the other exhibits. Judges shall avoid unnecessary fraternization with exhibitors. No person shall be allowed, under any circumstances, to interfere with the judge, or judges, during their adjudications, or with the Fair's staff, or to offer any criticism of any exhibit of another. **No judging information will be given by telephone or mail. Results will be posted on our website after May 17, 2023.** The judges may award first, second, third place, etc., according to merit. If without merit, the judges shall make no award under any circumstances. This rule applies whether there are one or more exhibits in the class. **The judges decisions shall be final.**
