Message from LA County Fair Management

Greetings from the LA County Fair

I am pleased to welcome you as a partner to one of the nation's largest and best county fairs. It is our mission to ensure that everyone involved in the Fair finds our event to be outstanding – from our guests to our valued partners, without whom we could not offer the exciting experience that is the one and only *LA County Fair*.

The 2023 Fair opens on Friday, May 5, and continues through **Memorial Day (Monday, May 29)**, closing on Mondays, Tuesdays and Wednesdays in between. We will offer 16 days of thrills, adventure, shopping and one-of-a-kind eating.

We are excited to present this year's theme: *Spring into Fair*, celebrating the 101st Anniversary of the LA County Fair and our new season. This is the second year with our new dates in May. It is a time when we can celebrate all that spring offers – new life, new beginnings and wonderful weather.

In 2023, celebrate the wonderful California climate with early harvests in The Farm at Fairplex, or see innovation at work with the House of the Future exhibition. Experience the fauna of springtime – in Legos – with the Sean Kenney's Animal Super Powers exhibit of giant animals made of LEGO bricks. What better theme for the Flower and Garden Pavilion than to showcase spring flowers. The Farm will buzz with new activity as Future Farmers of America returns in a big way to the Fair. Watch as students prepare their animals for show. Don't miss America's Great Outdoors as US Forestry, Bureau of Land Management and LA County Fire Department explore the wonder of national parks.

We are thrilled to welcome back livestock competitions to the Fair. Agriculture is the foundation on which we built the Fair and what better way to celebrate that than by having FFA, 4H and agriculture students from around the region show their animals.

I want to thank you for your participation in the LA County Fair. Our partnerships with organizations and individuals such as you allow us to consistently deliver high-quality family entertainment and education to more than one million fair guests.

Our Fairplex team is here to assist you and ensure that you have a fantastic Fair!

Sincerely,

Walter M. Marquez
President & CEO

General Livestock Rules

5. No filling or feeding of animals by artificial means will be allowed including the use of tubes or drench guns.

6. Unruly animals will be removed at the discretion of the Farm Competitions Coordinator.

7. Any alteration of appearance, physical change by removal or injection, including the use of paint, powder, dye, shoe polish, glue or artificial color is strictly prohibited.

8. Health certificate, where required, must be presented upon arrival at the LA County Fair. Please refer to the Animal Health Rules and State Rules.

Youth Guidelines & Uniform Standards

The Youth Department is for qualifying individuals who want to enter the LA County Fair. The LA County Fair has established divisions and classes for groups such as FFA, 4-H clubs and the like to provide opportunities for young people to exhibit who are not members of an organization in several ways, such as allowing them to compete in the appropriate class in direct competition with an organization member if there are very few “independent youth”.

In a livestock class, the Independent must meet the same age requirements as the direct competition members of an organization.

FFA MEMBERS may participate in classes if they are enrolled in high school agriculture classes and are active, dues paying members of their FFA chapter. Active FFA members may exhibit projects until the end of the next calendar year following graduation.

4-H / GRANGE MEMBERSHIP enrollment is open to all youth from kindergarten through grade 12 through December 31 of the year in which they turn 19 years of age.

4-H PRIMARY members must be 5 years old or in kindergarten by January 1 of the program year. Primary members cannot enroll in large animal projects. Approved animal projects are dogs, rabbits, rats, cats, poultry, cavies, mice, embryology, entomology, marine science, pygmy goats, and therapeutic animal projects. (Youth enrolling or turning 9 after January 1 must participate as a Primary Member until the end of the program year.)

INDEPENDENT & OTHER YOUTH EXHIBITORS not affiliated with any organization may enter appropriate FFA and 4-H classes if they meet the required age or grade level. Fair management may establish separate classes if there are sufficient entries. Independent youth exhibitors must not have been enrolled in a junior organization within 60 days to be eligible to participate. Exhibitors are eligible to compete/exhibit through December 31st of the year in which they turn 19 years of age. Each entry in these divisions must have been made or produced by the exhibitor. Entries shall be made on Youth Department entry forms provided by the Fair. The signature of the parent or guardian is required. Exhibitors who are enrolled in any junior organization for which classes are offered elsewhere are not eligible to enter these divisions.

UNIFORM: All National FFA Organization and 4-H Club and Grange exhibitors must wear the official uniform of their organization while showing. FFA uniforms are to be worn by all FFA exhibitors and by helpers in individual and chapter groups while showing at the LA County Fair Livestock Department shows. The official uniforms are as follows:

- **FFA Uniform:** Dark blue, black or white pants, white shirt, FFA tie and official FFA jacket (zipped to the top) or FFA patch attached to the white shirt.
- **4-H Uniform:** Dark blue, black or white pants, white collared shirt (any sleeve length), and 4-H Club cap (4-H tie or scarf is optional).
- **Grange Uniform:** White collared button-down shirt, dark blue jeans and red vest with Grange emblem on the back.
- **Independent Uniform:** Dark blue, black or white pants and white collared shirt.

- **Open Exhibitor Uniform:** Clean white top, show whites or team uniform.

NO attendant or other person will be allowed in the show ring unless neatly dressed in proper uniform.

IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) **CODE OF SHOW RING ETHICS**

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- 1)** All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
- 2)** Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
- 3)** Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
- 4)** Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the

sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5) Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6) The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7) Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

8) No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9) The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10) The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expos* and any special notices to members.

11) The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE Code of Show

Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
